

## Celebrate Your Marriage with God's Blessing

We warmly welcome couples who want God's blessing on their marriage and want to include Him at the center of their life together. In our Reformed tradition, at least one partner is usually a baptized or confessing Christian, but more importantly, we want to walk alongside couples as they begin this journey together.

Here's what to expect when planning your wedding with us:

- **Membership & Faith:** Many couples in our church are members, but we're open to those who are Christians and want to ask God's blessing on their marriage in a church ceremony.
- **Pre-Marital Guidance:** Our pastors offer supportive counseling to help you explore what it means to build a Christ-centered marriage.
- **Shared Worship:** Attending services together before your wedding is a wonderful way to connect with our church family and God's presence in your lives.
- **Flexibility & Welcome:** Even if you're not a member, we love welcoming couples who want to share this special moment with our church community.

Every wedding is unique, and we're here to walk with you, celebrate your love, and help you start your married life grounded in God's love.
